SUMMARY

Ambitious final-year CSBS student with a solid foundation in software engineering. Strong teamwork, interpersonal, and communication skills. Eager to launch a career as an entry-level professional, contributing to company success while advancing personal development.

EDUCATION

- Panimalar Engineering College** Chennai, India
Bachelor of Technology - Computer Science & Business Systems; CGPA: 8.53(till 6th sem)

SKILLS & INTERESTS

- Languages:** Java, HTML, CSS, Bootstrap, JavaScript
- Tools:** Git, GitHub, Postman, AdobeXD, Figma
- Database:** MySQL, Firebase
- Platforms:** Windows, Google Cloud Platform, Microsoft Azure

EXPERIENCE

- Front Developer Internship - FirstMelon:**

At First Melon Software Solution, I honed my skills in HTML, CSS, JavaScript, and Bootstrap during an internship, working on five frontend projects. These projects allowed me to develop responsive, user friendly web interfaces and gain practical experience in frontend development.
